## INTERESTED IN CANADA-WIDE ENVIRONMENTAL ISSUES?

CCME's Secretariat is seeking to fill a **Coordinator** position for a **one-year term**. CCME Coordinators take a key role facilitating the work of environmental experts in our working groups. Coordinators are energetic, highly organized generalists with an interest in environmental issues. The Secretariat is a small but fast-paced office – we're busy but we also have fun. Our work is Canada-wide and intergovernmental in scope and currently focuses on priority areas such as waste, climate change, environmental emergencies, water, air pollutants and cumulative effects.

Further information on this position and detailed instructions for applying can be found at **[www.ccme.ca](http://www.ccme.ca)**. Résumés must be received no later than 11:59 a.m. CDT, October 19, 2018.

*CCME is the primary minister-led intergovernmental forum for collective action on environmental issues of national and international concern, operating at all levels on the basis of consensus. We thank all applicants for their interest, but advise that only those selected for an interview will be contacted.*
