2019 Recreation

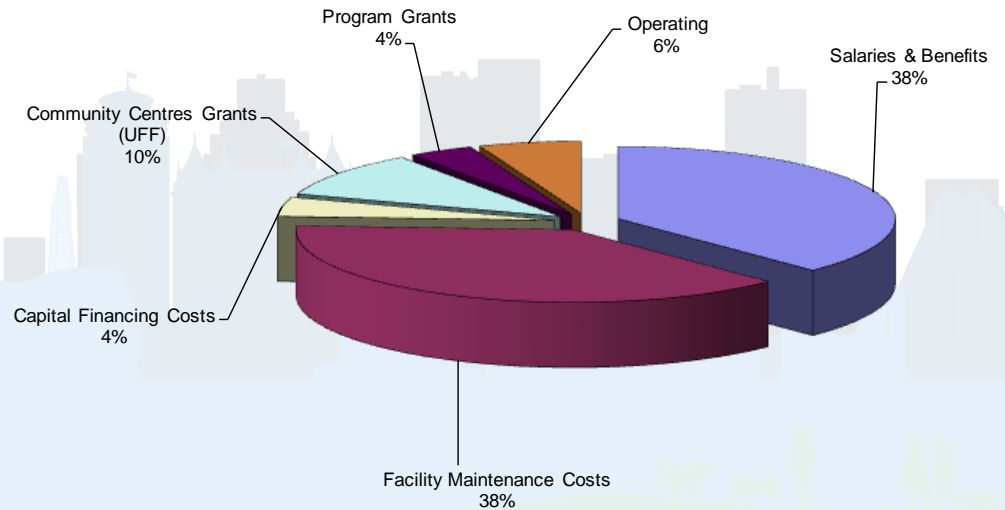

Preliminary Service Based Budget

To provide high quality aquatics, recreation and leisure opportunities/programs to enhance life skills, community leadership development and overall quality of life for citizens in our neighbourhoods.

2019 Preliminary Budget

Revenues	\$	13.862
Expenses	\$	57.576
Mill Rate Support	\$	43.714

2019 Recreation Preliminary Expenditures \$57.576 million

2019 Recreation

Preliminary Service Based Budget-continued

Program Highlights:

- In 2018, 90% of citizens who participated in recreation programs were satisfied with the programs offered by the City (e.g. swimming lessons, Learn-to-Skate, or other Leisure Guide programs).
- Annual Facility Access pass subsidies increased by 78% from 2,416 in 2016 to 4,288 in 2017. The annual pass subsidy was launched in 2016 to reduce cost barriers for citizens to participate in recreational activities. The continued growth and success of the program is resulting from streamlined application processes, and enhanced promotion, distribution and awareness via community partners through a community development approach and Leisure Guide.
- Registered course (Leisure Guide programs) fee subsidy registrations increased by 127% from 1,041 in 2016 to 2,365 in 2017.

2019 Initiatives:

- The second year of Swimming Counts program in collaboration with Winnipeg School Division. Over 2,300 grade 4 students will participate at six city pools. The program is designed to teach water rescue skills, in, on and around water, while incorporating swimming instruction and providing water safety lessons to students at an affordable cost for the school division.
- Increased levels of services as a result of additional funding for the redevelopment and expansion of Seven Oaks Pool and the Transcona Aquatic Park.
- Increased investments in Community Centre infrastructure through the Community Centre Renovation Grant Program from \$965,000 to \$2 million in 2019 and each year thereafter until 2023.

2019 Recreation

Preliminary Service Based Budget-continued

Facility Highlights:

- Pan Am Pool recently completed \$3.4 million in renovations to replace the main tank's 51 year old ceiling, lighting and public address system. Replacing these important interior components were an investment in to ensure Pan Am pool is a safe and enjoyable facility for the future.

Pan Am Pool Before and After

- An anticipated Spring 2019 opening of the newly renovated Seven Oaks Pool which includes the very first indoor splash pad in Winnipeg to be enjoyed year round, the first of its kind in Manitoba. Plus, an additional teach pool, significant improvements to the public change facilities, including a universal change room, large foyer and improved accessibility features and multi-use space.
- Three new spray pads opened to the public July 2018 at Valley Gardens, Sergeant Tommy Prince Place, and Freight House.
