Dear Chief and Council:

We are contacting you in regards to the practise of passenger searches at the St. Theresa Point Airport owned and operated by Manitoba Infrastructure (MI).

MI supports and recognizes your community's efforts to ensure a safe and peaceful environment. However, due to safety, liability and legal concerns the searching of passengers while on airport property by band constables is not allowed.

As such, please be advised that effective immediately, the practise of searching passengers by band constables will not be permitted on airport property.

Should you have any questions please do not hesitate to contact me by phone at (204) 945-8605 or by email Mark.Seniuk@gov.mb.ca.

Respectfully,
