ELECTIONS MANITOBA

Independent Auditors' Report

To the Financial Officer of the
New Democratic Party of Manitoba

Qualified Opinion
We have audited the accompanying Form 920, Annual Financial Statement of a Registered Party for the New Democratic Party of Manitoba (the "Party"), which comprise the Statement of Assets, Liabilities and Surplus/(Deficit) as at December 31, 2021, the Statement of Income, Expenses and Transfers (Excluding the Campaign Period), and Schedules 1 - 5 for the year then ended, and a note describing the basis of accounting (the "Form 920").

In our opinion, except for the possible effects of the matter described in the *Basis for Qualified Opinion* paragraph, Form 920 of the New Democratic Party of Manitoba for the fiscal year ending December 31, 2021 is presented fairly, in all material respects, in accordance with the financial reporting provisions of *The Election Financing Act* of Manitoba and *Accounting Guide - Accounting For Purposes of The Election Financing Act* issued by the Chief Electoral Officer.

Basis for Qualified Opinion
Due to the nature of the transactions inherent in any political party, the completeness of contributions and other revenue and expenses is not susceptible of satisfactory audit verification. Accordingly, our verification of these amounts was limited to the amounts recorded in the records of the Party. Therefore we were not able to determine whether any adjustments might be necessary to income, expenses, and the period surplus/deficit for the year ended December 31, 2021, assets and liabilities as at December 31, 2021, and surplus/deficit as at January 1 and December 31, 2021.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Statements* section of our report. We are independent of the Party in accordance with the ethical requirements that are relevant to our audit of the Form 920 in Canada, and we have fulfilled our other ethical responsibilities in accordance with those requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis of Accounting and Restriction on Use
Without modifying our opinion, we draw attention to Note 1 to the Form 920, which describes the basis of accounting. The Form 920 is prepared to assist the Financial Officer and the Party to meet the requirements of *The Election Financing Act* of Manitoba. As a result, the Form 920 may not be suitable for another purpose.

Independent Auditors' Report - continued

Responsibilities of Management and Those Charged with Governance for the Form 920
The Financial Officer and the Party are responsible for the preparation and fair presentation of the Form 920 in accordance with the financial reporting provisions of *The Election Financing Act* of Manitoba and *Accounting Guide - Accounting For Purposes of The Election Financing Act*, and for such internal control as management determines is necessary to enable the preparation of the Statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibilities for the Audit of the Form 920
Our objectives are to obtain reasonable assurance about whether the Form 920 as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Form 920. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Form 920, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Party's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Financial Officer.
- Evaluate the overall presentation, structure and content of the Form 920, including the disclosures, and whether the Form 920 represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
