

STATEMENT ON FREEDOM CONVOY AND MMIWG2S+

WINNIPEG, January 3, 2023 - Families and Survivors of Missing and Murdered Indigenous Women, Girls and Two-Spirit, alongside the MMIWG2S+ Implementation Committee, denounce the so-called "FREEDOM CONVOY" for their blatant use of Indigenous women, girls and two-spirit to further their own misguided and propagandic agenda.

Indigenous women, girls and two-spirit are currently dealing with the reality and aftermath of a serial killer; said whom is a documented and proud white supremacist.

The Freedom Convoy is known to represent extreme white supremacist views which devalue the lives and experiences of Indigenous Peoples, alongside Black, LBTTQ2S and persons of colour.

The Freedom Convoy has a continued presence in Winnipeg as evidenced by the ongoing demonstrations of support. This has, once again, ensured we will be on high alert to ensure the safety and well-being of our community(ies).

We are advising community, supporters and families of MMIWG2S+ we do not have any affiliation or working relationship with any freedom convoy peoples or groups.

Finally, we demand this so-called "Freedom Convoy" immediately cease from appropriating and using the lives of Indigenous women, girls and two-spirit in to further their own white supremacist leanings.

*Please Note that individuals including family members and survivors have endorsed this statement, however, in the interest of personal safety and protection from harassment are not being listed.

Sincerely,

MMIWG2S+ Implementation Committee – MB
